**Altamont Corridor Rail Project Preliminary Alternatives Analysis**

This agenda item is intended to serve as the release of the Preliminary Alternatives Analysis (AA) Report for the Altamont Corridor Rail Project and provide the public and the Board an opportunity to be briefed on the current state of analyzing the alignment, station alternatives, and maintenance facilities for this project. The full Altamont Corridor Rail Project Preliminary Alternatives Analysis will be posted on the CHSRA website on January 31, 2011.
